REGULATION ON SPECIAL COSTS AND COSTS FOR THE PROVISION OF INFORMATION SERVICES OF  
THE STATE INTELLECTUAL PROPERTY OFFICE

I. GENERAL PROVISIONS

Article 1

(1) This Regulation regulates the payment of fees for special costs and costs of information services (hereinafter: the costs) for actions in proceedings for the grant and maintenance of industrial property rights in value under the Patent Act, Trademark Act, Industrial Design Act, Act on Geographical Indications and Designations of Origin of Products and Services and the Act on the Protection of Topographies of Semiconductor Products, in the procedures of entry in the register of representative in the field of industrial property rights, for taking professional exams for authorised representatives in the field of industrial property rights and in procedures of granting approvals to perform collective management of copyright and related rights under the Copyright and Related Rights Act conducted by the State Intellectual Property Office (hereinafter: the Office).

(2) The amounts of costs referred to in paragraph (1) of this Article are determined by this Regulation.

Article 2

Information services, in terms of this Regulation, means the provision of information related to the acquisition and exercise of intellectual property rights, publishing official and professional publications of the Office, publishing advertisements in the official gazette of the Office, searching domestic and foreign databases, and making copies.

Article 3

Costs of the Office under this Regulation shall be paid by a natural or a legal person (hereinafter: the party), at whose request the action specified in one of the acts referred to in Article 1 of this Regulation is performed, or a person who submits a request for information service, for which the amount of costs is determined by this Regulation.

Article 4

(1) Costs shall be paid at the time of submitting the request or other submission on the basis of which the Office performs the action for which the amount of costs has been determined by this Regulation or within the deadline specified in the invitation of the Office.

(2) If the costs in proceedings for the grant of patents, the issuance of a supplementary protection certificate, and the registration of the topography of semiconductor products is not paid at the time of filing, or if the reimbursement of costs in proceedings for the grant and maintenance of patents in value, a supplementary protection certificate and the topography of semiconductor products is not paid in the prescribed amount, the Office shall order the party by a conclusion to pay the prescribed reimbursement of costs within two months upon receipt of the conclusion.

(3) If the costs in proceedings for the grant and maintenance of trademarks and industrial design, geographical indications and designations of origin of products and services in value, reimbursement

of costs for initiating appeal proceedings against any decision of the Office, and reimbursement of costs in proceedings of registering representatives in the field of industrial property rights and reimbursement of costs for taking professional exams for authorised representatives in the field of industrial property rights is not paid at the time of submission or is not paid in the prescribed amount, the Office shall order the party to pay the prescribed reimbursement within 30 days upon receipt of the conclusion.

(4) If the costs for forwarding the Community trademark or design application has not been paid at the time of filing the application or has not been paid in the prescribed amount, the Office shall order the party by a conclusion to pay the prescribed reimbursement of costs within 7 days upon receipt of the conclusion.

(5) If the party pays the reimbursement of costs according to the conclusion of the Office, it is considered that the reimbursement of costs has been duly paid from the beginning.

(6) If the party does not pay the reimbursement of costs upon the conclusion of the Office, i.e., if it does not pay the reimbursement of costs within the period prescribed in paragraphs (3) and (4) of this Article, the request or other submission shall be rejected by a decision.

(7) On the basis of a request for the provision of an information service for which the amount of costs has been determined by this Regulation, the Office shall provide an information service provided that the prescribed reimbursement of costs has been paid with that request.

## Article 5
